*Let's celebrate!*

# Mangiamo e beviamo!

Welcome to Bar Gusto, where la dolce vita meets Aussie spirit!

A celebration of two rich and diverse cultures colliding in the heart of Bowen Hills, Bar Gusto transports you to Italian summertime. As soon as you step through our doors, the aroma of authentic Italian dishes fuses with the enticing frivolity of staff that greet you, making every visit feel like you're at home.

The atmosphere buzzes with laughter, conversation, music and the clinking of glasses as friends, families, and colleagues come together to create lasting memories.

Our 190-seat venue hosts a dining area, alongside an open-air deck under the fig, bar and a 40-seat private dining space, making Bar Gusto the perfect location for your next celebration.

Executive Chef Francesco Trucco and team spearhead the culinary offering that showcases his traditional family recipes from Italy, whilst bar manager and mixologist Lloyd Russ ignites the senses with a paired cocktail list and hand selected local and imported wines enhancing your 'Italian Riviera' experience.

*'Gusto in my home country means taste and we know it also means enthusiasm, which is perfect for the venue we've created here.' says chef.*
